'Tropic Beauty' Peach

Low-chill - Yellow flesh - Good flavour

'Tropic Beauty' is a low-chill peach producing medium-sized yellow fruit with good flavoured melting flesh. Suited to areas that receive minimal cold weather during the winter months. Avoid planting in areas prone to late frosts. Fruit matures early in the season.

Chill Units: 150

Skin: Red blush over a yellow ground colour.

Flesh: Yellow.

Flavour: Very good. Sweet.

Culture: Prefers full sun. Water regularly until well established. Should be given a deep soaking when dry.

Pollination: Self-fertile.

Size: 4 x 4 metres.

Care: For more information on planting, maintenance, and care visit flemings.com.au
