Gentec products come with a Manufacturer's Warranty. To ensure the validity of this warranty, Gentec products must be installed following the provided installation instructions and adhering to AS 3500, NCC Volume Three, relevant Australian Standards, and any local authority requirements applicable to the product. Additionally, water and electrical supply conditions must meet the appropriate national and/or state standards. Non-compliance with these provisions may impact product performance and void the warranty.

Technical Drawings

All measurements are in millimetres and should be used as a guide only.

Disclaimer: Stainless Steel Grades 304 & 316 are manufactured with ZERO* Lead.
